Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Baylor College of Medicine in fiscal year 2023.

The entity to receive funding for this project is located at 2605 Parker Rd, Houston, Texas 77093.

The funding would be used to establish an outpatient clinic in conjunction with Santa Maria Hostel, and it would operate as Baylor College of Medicine OBOT (Office-Based Opioid Treatment) Integrated CARE Clinic. This facility would service victims of the overdose epidemic in an underserved community of Houston, Texas, as well train the future generation of medical providers in substance use disorder treatment. The funding would primarily help in renovating existing space to comply with outpatient medical services building codes and providing an electronic health records system to allow for better care coordination.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Member of Congress
